

You may voluntarily donate all or part of your state income tax refund to the Spay and Neuter Fund, and if you are a resident of Madison County your donation to the Fund will come back to us to help with the county's adoption program for dogs and cats in our shelter. Using your Virginia Tax Form 760, go to Line 22 and enter Contribution Code 86 (Spay and Neuter Fund). For additional information, please consult the instructions that come with Form 760.
